

Polish Cultural Council

Keeping Polish Culture Alive!

**WE NEED YOU
AND YOUR
INVOLVEMENT!**

A growing membership is vital for the Polish Cultural Council to continue its important work.

An increasing and involved membership permits us to continue to bring Polish cultural events that add quality to your life. Without membership growth, our programs, such as the Bal Polonaise and support of Polish composers on WQED-FM, simply cannot continue. If promoting Polish achievements in the arts and sciences are important to you, then please consider a family or individual membership. Annual membership for individuals are \$20 and families, \$25. The PCC seeks members who want to help in developing, planning and executing ideas, that make a difference.

Our newsletter, the Polish Journey, keeps you informed on the who, the what, the where and the why of western Pennsylvania Polonia. The Polish Journey brings you interviews with prominent western Pennsylvania individuals of Polish heritage, discussion of events still in the planning stage as well as calendar of events, recipes and a column that deals with the lives of our local members. Joining is easy, but getting involved is the fun part.

Please call us at **412.871.3347** or send the membership application today. Please remember, your contribution to the PCC is tax deductible and the membership is valid for one year, from January to December.

Rick Pierchalski, Chairperson PCC
